## Reviewer's Findings

### SC LIFE Scholarship

Based on a sample of twenty-five (25) students

**Condition:** We found one instance where the annual affidavit was not signed prior to the 2022-2023 SC LIFE Scholarship disbursement.

**Criteria:** 62-1200.60 (O)(7) states that the institution must retain annual paper or electronic documentation for each award to include at a minimum: Affidavit documenting that the student has never been convicted of any felonies and/or any second alcohol/drug related misdemeanor offenses within the past academic year as stated under the "Student Eligibility" Section.

**Cause:** Management failed to obtain the required affidavit prior to disbursing the 2022-2023 LIFE scholarship.

**Effect:** The institution disbursed LIFE scholarship for the 2022-2023 academic year prior to obtaining a signed affidavit by the student. As a result, the institution is required to immediately reimburse \$5,000 to the SC LIFE Scholarship Program for improperly awarding funds.

**Recommendation:** We recommend the institution evaluate current policies and procedures to reduce the risk of awarding and disbursing prior to obtaining all required documentation.

**Management response:** The disbursement of the Life Scholarship and all CHE funds is contingent upon the receipt of all required residency verification documents. If these documents are not received, the funds will not be reflected on the account. Unfortunately, in 2022-2023, a systematic error led to funds being disbursed before the residency form was marked as received. This issue has been corrected, and the setup has been thoroughly verified and tested to ensure it will not happen again.

**Condition:** We found one instance where a student was awarded HOPE Scholarship in their first year of enrollment but was eligible for LIFE Scholarship instead.

**Criteria:** 62-900.85 states the purpose of the SC HOPE Scholarship Program is to provide funding to first-time entering freshmen who do not qualify for the LIFE or Palmetto Fellows Scholarships.

**Cause:** The student's initial state scholarship eligibility was incorrectly determined by the institution.

**Effect:** The student was incorrectly awarded and disbursed \$2,800 of SC HOPE Scholarship during the student's freshman year when the student was eligible for the LIFE Scholarship. The institution must make all appropriate and necessary adjustments to the student's 2022-2023 award period. The institution must return to CHE \$2,800 due to the incorrect disbursement of the Hope Scholarship.

**Recommendation:** We recommend the institution evaluate all functional areas that impact how and when initial eligibility is determined and identify weaknesses in current policies and procedures to reduce the risk of incorrect awarding and disbursing.

**Management Response:** We have identified and addressed this issue by implementing a process where multiple parties review the final transcripts and system weaknesses. This comprehensive review of our current policies and procedures is aimed at reducing the risk of incorrect awarding and disbursement.

Our actions include:

- Additional training for staff
- Implementation of more rigorous checks and balances
- Enhancement of our system protocols to ensure accurate eligibility determination moving forward

These measures are designed to improve accuracy and compliance in our scholarship award processes, preventing similar issues in the future.
