## Reviewer's Findings

### LIFE Scholarship

*Based on a sample of five students (5) students*

**Condition:** We found one instance where a student was awarded LIFE Scholarship and LIFE Scholarship Enhancement, but the student did not meet the academic requirements of initial eligibility for transfer students.

**Criteria:** 62-1200.30 (C) states, for determining initial eligibility for transfer students for the first-time at an eligible public or independent institution in South Carolina, students must meet the following requirements at the end of the previous academic year:

- Earn a cumulative LIFE GPA of 3.0 or higher and
- Meet the annual credit hour requirements based on the initial enrollment date:
  - o Second year transfer - 30 non-remedial credit hours (or equivalent)
  - o Third year transfer – 60 credit hours (or equivalent)
  - o Fourth year transfer – 90 credit hours (or equivalent)

**Cause:** There was an oversight in the process of evaluating a student's LIFE Scholarship and LIFE Scholarship Enhancement eligibility at the time of transfer.

**Effect:** The institution incorrectly disbursed \$2,500 of LIFE Scholarship and \$1,250 of LIFE Scholarship Enhancement in the fall 2022 term. The student met the 3.0 LIFE GPA but did not meet the initial eligibility requirements for a fourth year transferring student. The institution must refund the LIFE Scholarship Program immediately by returning \$3,750 to the CHE due to the misawarding of LIFE Scholarship funds.

**Recommendation:** We recommend the institution evaluate all functional areas that impact how and when initial eligibility is determined and identify weaknesses in current policies and procedures to reduce the risk of incorrect awarding and disbursing.

**Management's Response:** As an immediate corrective action, the funds associated with the student have been reversed from the student's account, resulting in the return of \$3,750.00 to the SCCHE LIFE Scholarship Program. The finding prompted the Office of Student Financial Aid to conduct a comprehensive review of current processes and further strengthen our verification measures by implementing the following protocol. Financial aid counselors will review admissions applications alongside pre-MUSC transcripts (1) to ensure accurate verification of initial college enrollment dates and (2) to confirm that all math and science requirements for the Enhancement program are satisfied. The SC Life Scholarship affidavit completed by students will be revised to include a comprehensive list of all high schools and colleges previously attended, along with corresponding dates of attendance. MUSC is in the process of implementing new Admissions and Student Information Systems, specifically Anthology Reach and Anthology Student, which are set to go live in early 2025. We will utilize these new systems to establish updated business processes that ensure compliance with the eligibility requirements for the LIFE Scholarship and the LIFE Scholarship Enhancement.
