Please explain how these funds will be used to provide a public benefit:

The purpose of the Center of Excellence Grant is to provide students who are significantly below grade-level reading proficiency with the opportunity to receive quality intensive instructional services and support. This grant establishes targeted intensive tutoring for students PK-3 that is scientifically based on reading research. The grant is also benefiting pre-service teachers through professional development and classwork support so the pre-service teachers can identify specific reading barriers facing their students and utilize tools to effectively help their students learn to read. The grant is also being used to strengthen coordination among school districts, early literacy programs, and family literacy programs to improve reading achievement for all children.
