

Learning Overview

1 Virtual Orientation Kickoff 2.0 (Nov. 19)

- Participants will receive an overview of the ACE Engage training platform and micro-courses in a 45-minute virtual orientation.

2 Micro-Course Completion (Nov. 19- Jan. 17)

- **The ACE Review Process:** Learn to validate the value of credit for prior learning for learners, colleges and universities, and employers. Identify the complexities of an ACE review of CPL, and the holistic approach toward evaluation credit determinations.
- **Maximizing Military Learner Success:** Observe the search function, data integration capabilities, and flexible workflow designed to facilitate efficient credit for military learning processes. Learn how the ACE Military Guide provides colleges and universities with tailored processes and data to better support the review of Joint Services Transcripts (JST) and facilitate the maximum award of academic credit to military-connected learners.
- **Onboarding with the ACE Military Guide:** Identify strategies and techniques to document CPL with specific academic courses for transfer and consider the broader community and stakeholders contributing to CPL and military-learner attainment successes.

3 Submit Training Questions (Deadline Jan. 20 at 3 p.m.)

- Participants submit questions for each micro course (this is a key foundation for the training.)

4 In Person Training (Jan. 27)

- ACE address the submitted questions and reinforce the key learning outcomes.
 - CHE will provide updates on the SC Military Credit Mobility Taskforce.
- Training Outcomes:**
- Certificate completion!
 - Registrants will be equipped to understand the foundational concepts of CPL and apply them effectively within their respective institutional contexts.
