Out-of-State High Schools & Scholarship Eligibility

For Scholarship purposes, out-of-state schools must comply with SC UGP GPA and ranking (if applicable).

- If the institution is not converting the grades, the out-of-state high school must submit a converted transcript in addition to the official out-of-state high school transcript
 - No handwritten or strikethrough edits can be demonstrated on the submitted transcript for scholarship eligibility determination
 - If the school uses a 10-point grading scale, they will need to submit a copy of their grading policy/scale to show that it is the same as the SC UGP, if there is <u>not</u> GPA conversion.
- If a student is attempting to use rank as an eligibility criterion from an out-of-state high school:
 - The high school or home school association must have a policy on rank; and
 - The rank policy must be approved by CHE as being in alignment with the rank regulation; and
 - If using rank, the entire academic class must be converted to the SC UGP and a <u>ranking report that reflects all students in that academic class</u>, the out-of-state GPA, the SC UGP GPA, and the rank based on the SC UGP GPA must be included in order to determine eligibility and award a State scholarship.
- If the high school or home school association <u>does not rank</u> as a policy, or the student does not meet the rank eligibility requirement once a conversion of the grades to meet the SC UGP GPA and rank requirement then student must use the Alternate Criteria for eligibility (SC UGP GPA and SAT/ACT score).

- Palmetto Fellows: can only apply during the Early Award Period <u>prior to</u> completing their high school graduation requirements.

Graduating Early

(Student graduates academic year(s) early > graduates with Spring Cohort)

SC HOPE / LIFE Scholarship

• Eligibility is based on the end of the academic year with the student's "new" graduating class

Palmetto Fellows Scholarship

- Early Award Application Period can use the end of 10th or 11th grade rank, must use end of 11th grade GPA
- Late Award Application Period can use the end of 10th or 12th grade rank, must use end of 12th grade GPA

Scholarship Appeals

- O The 2024-2025 Appeals Cycle for the Palmetto Fellows, LIFE, and SC HOPE scholarship opened May 1, 2024. The appeal is now an electronic application that allows the student to electronically attach their required supporting documentation All appeals and materials must submitted to CHE on or before the deadline which is <u>5:00 pm on February 16, 2025.</u>
 - Early Review: May September 13, 2024. Final decisions rendered no later than Jan. 1
 - Late Review: September 14 February 14, 2025. Final decisions rendered no later than April 4.
- Students are encouraged to review the Guidelines for Appeal on the CHE website to determine if their circumstance truly meets the definition of an extraordinary circumstance or a traumatic event.
- Students are encouraged to go through the institutional appeal process first.
- O Students should be advised that their appeal is not guaranteed to be granted, nor is it a guarantee that a decision will be rendered prior to the due date of their college bill. Students should make arrangements with the institution for payment.
- The link to the appeals information and application is:

https://www.che.sc.gov/Students,FamiliesMilitary/StudentAppeals.aspx
