Chair Tim Hofferth called to order the meeting at 9:03 am.

**1. Introductions**

He affirmed with Ms. Julie Carullo that the meeting was being held in accordance with the South Carolina Freedom of Information Act. Ms Carullo then requested that each person state his or her name and recorded the names of all those in attendance as listed above.

**2. Consideration of FY 2016-17 Budget Requests**

Chairman Hofferth explained that the purpose of the meeting was to consider the agency budget requests for FY 2016-17 and requested that Commissioner Temple review the item under consideration being brought forward by the Finance and Facilities Committee. Commissioner Temple moved for consideration of Agenda Item 2 (Attachment I). He commented that Finance and Facilities met earlier in the week and approved the requests as advanced with two changes. He then explained that the committee decided to recommend a statement of support for maintenance and facilities funding rather than a specific amount and allocation methodology in order to support the need and defer to institutional requests in this area. Additionally, he commented that the committee had added \$55,000 at the request of Commissioner Parker to increase the ability for outreach as discussed previously by the Commission. This funding would support activities including on-site meetings by the Commission (\$25,000), meetings relating to the future of higher education including meetings of the presidents' council (\$15,000) and trustees (\$10,000), and a forum on distance learning (\$5,000).

Following a brief discussion relating to institutional maintenance and facilities funding, **Agenda Item 2** was then voted on and unanimously approved.

**3. Adjournment of Business Meeting**

There was no other business to consider. The meeting adjourned at approximately 9:20 am

Respectfully submitted,  
Julie J. Carullo  
Recording Secretary
