Chairman Hofferth opened the meeting at 9:00 a.m.

A motion was made (Temple), seconded (Horne), and carried to approve the minutes September 23 Executive Committee meeting (**Attachment 1**). Ms. Love asked that the record reflect she did not participate in this vote as she was not yet a member of the Executive Committee on September 23.

The Executive Committee reviewed the November 5, 2015 CHE meeting agenda (**Attachment 2**). The following bullets provide highlights of items discussed:

- The Chairman's report will include a briefing on the work currently taking place to review CHE's statutory authorities. The November 5 CHE meeting agenda was adjusted to include two subcategories within the Chairman's report to reflect: 1) a status report from CHE Counsel Amy Hill on her review of CHE statutes to date; and 2) information about CHE and its activities from an historical perspective presented by Julie Carullo.
- As a reminder, Chairman Hofferth stated that each Committee was to elect a Chair and Vice Chair at their next meetings in light of the fact that he had recently reelected the committees.
- Chairman Hofferth stated that the CHE meeting agendas as well as the agendas of the CHE committees should always include an item allowing for the meeting to go into Executive Session should that be necessary.
- The report of the Committee on Academic Affairs & Licensing will bring forward seven program proposals and an application for initial license by consent agenda. It will also provide two reports for information only.
- The Committee on Access & Equity and Student Services will not have a report. The Committee will next meet, however, on November 10 at which time it will elect a Chair and Vice Chair.
- The Committee on Governmental and Administrative Affairs will bring forward by consent agenda the proposed 2016 CHE Meeting Calendar. It will hold a meeting upon conclusion of the tour of the SC State University campus, during which it will elect a Chair and Vice Chair.
- The Committee on Finance and Facilities will bring forward one interim capital project by consent agenda and one item for information only. The Committee will also hold a meeting at 9:30 a.m., during which it will elect a Chair and Vice Chair.
- The meeting was adjourned at 9:40 a.m.
