

The ACE Military Learning Badges

There are 7 courses with 59 total lessons and activities in the South Carolina Learning Portal experience.

Each role will complete a different number of lessons to earn their individual badges.

Badges will be issued through the Mighty Networks/Engage platform.

Once issued, the recipients will receive an email notification and can access their badge and description through the Engage platform.

All participants are encouraged to share their achievements on LinkedIn, but the badge will not be issued there.
