DEFINITION OF TERMS

An **appeal** shall be defined as the complete and timely documentation of an extenuating circumstance(s) that causes a student enrolled in college to fail to meet the academic requirements (cumulative grade point average and/or credit hours) for regaining or renewing a LIFE Scholarship or renewing a Palmetto Fellows Scholarship. An **appeal** is also defined as the complete and timely documentation of an extenuating circumstance(s) that causes a SC HOPE Scholarship recipient to not receive the maximum available terms of funding. **Students who fail to meet the initial eligibility criteria or who were never eligible to receive the SC HOPE, LIFE, or Palmetto Fellows Scholarship are not eligible to submit an appeal. In addition, students must be enrolled at an eligible SC institution to appeal the loss of their scholarship. Students who fail to appeal by the established September or February deadline upon the term of re-enrollment after the loss of their scholarship at an eligible South Carolina institution are not eligible to submit an appeal. Students cannot file an appeal after they have graduated.**

- An **extenuating circumstance** shall be defined as a situation that involves a serious health condition of the student, death or serious health condition of an immediate family member, or a traumatic/extraordinary event. (see below)
- An **immediate family member** shall be defined as the spouse, great-grandparents, grandparents, parents or legal guardians, brothers, sisters (including step-brothers/sisters), or children of either the student or the student's spouse.
- A **serious health condition** shall be defined as an illness, injury, impairment, or physical or mental condition that involves:(1) any period of incapacity or treatment in connection with or consequent to inpatient care in a hospital, hospice, or residential medical care facility; or (2) any period of incapacity requiring absence from classes for more than five consecutive class days that also involves continuing treatment by (or under the supervision of) a health care provider; or (3) continuing treatment by (or under the supervision of) a health care provider for a chronic or long-term health condition that is incurable or so serious that, if not treated, would likely result in a period of incapacity that would adversely affect the academic performance of the student.
- A **traumatic/extraordinary event** shall be defined as a sudden, uncontrollable event which adversely affects the student's academic performance, such as a natural disaster (earthquake, hurricane, tornado, etc.), divorce, sexual assault, required missionary duty, active military duty, death of a significant non-immediate family member, or any other events deemed traumatic/extraordinary by the Commission.

EXTENUATING CIRCUMSTANCE

Extenuating circumstances are the following situations:

- Serious health condition of the student; or
- Death or serious health condition of an immediate family member; or
- Traumatic / Extraordinary event

In order to determine if a particular situation is an eligible extenuating circumstance, refer to the above "Definition of Terms." Please be aware that poor academic performance prior to the documented extenuating circumstance will impact the outcome of an appeal. **A student cannot appeal the loss of scholarship due to:**

- An institution's lack of or failure to provide adequate accommodations (i.e.: note taker, extended test taking time, attendance flexibility).
- Never been awarded or received the LIFE, SC HOPE or Palmetto Fellows Scholarships.

A traumatic event DOES NOT include:

College adjustment issues, homesickness, problems with roommates, problems with the faculty or staff at the college or university, difficult course-load, misunderstanding of scholarship requirements, misadvisement by financial aid officers or advisors, problems following institutional policies/procedures, problems completing the proper institutional paperwork/forms, dependent care issues, transportation problems, financial issues, exceptions to scholarship regulation (initial eligibility, transfer issues, exceeding terms of eligibility), sport schedule conflicts, etc.

This is not an exhaustive list. Other issues may be deemed as inappropriate for appeal.

NOTIFICATION OF SCHOLARSHIP ELIGIBILITY

SC HOPE AND LIFE SCHOLARSHIP

Each institution is responsible for notifying students about financial aid awards through normal institutional notification procedures, such as personal financial award accounts within the institutional system available for all students to review, telephone notification, award letters, and student bill statements. Therefore, each student awarded the SC HOPE or LIFE Scholarship must make themselves aware of the institutional notification process and their SC HOPE or LIFE Scholarship eligibility. If a SC HOPE or LIFE Scholarship recipient finds that they are ineligible and would like to file an appeal, appeal applications are available on page 10 of this document. If a student wishes to submit an appeal, then they must follow the approved appeals process.

PALMETTO FELLOWS SCHOLARSHIP

Each institution is responsible for notifying students about financial aid awards through normal institutional notification procedures, such as personal financial award accounts within the institutional system available for all students to review, telephone notification, award letters, and student bill statements. Therefore, each student awarded the Palmetto Fellows Scholarship must make themselves aware of the institutional notification process and their Palmetto Fellows Scholarship eligibility. If a Palmetto Fellows Scholarship recipient finds that they are ineligible and would like to file an appeal, appeal applications are available on page 10 of this document.

The student's home institution will notify each Palmetto Fellow of the discontinuation of their Palmetto Fellows Scholarship and provide information about the opportunity to appeal. If a student wishes to submit an appeal, then they must follow the approved appeals process.

TIME LIMITATION FOR FILING AN APPEAL

The regulations governing each scholarship program allows for students to appeal the loss of their scholarship and request reinstatement should they have a legitimate extenuating circumstance as defined in these guidelines that prevented them from meeting the continued eligibility criteria. Appeals solely pertaining to either LIFE or Palmetto Fellows Scholarship Enhancements will not be considered. Only one appeal is allowed to be submitted each academic year. Appeals must be submitted by the established deadline upon the term of re-enrollment at an eligible South Carolina institution after losing eligibility for a state scholarship. Appeals information must be received by the Commission no later than 5:00 pm on Friday, February 16, 2024. No appeals applications will be accepted AFTER 5:00 pm on February 16, 2024.

Students who submit an appeal after the deadline will NOT have their appeal heard. Please note that students who have never been awarded or received the LIFE, SC HOPE or Palmetto Fellows Scholarships, or who failed to meet the continued eligibility requirements to regain a previously lost scholarship are not eligible to file an appeal.

A student MUST be currently enrolled in order to file an appeal. A student cannot file an appeal after they have graduated from the institution.

A CURRENT APPLICATION FOR APPEAL (PG. 10 OF THIS DOCUMENT)

1. The application must be completed and signed by the student. An unsigned application will be considered incomplete. It is not the responsibility of Commission staff to inform appellants if the application or portions thereof, are incomplete. Therefore, the incomplete appeal will not be considered.

**If the application remains incomplete by the close of the February deadline, CHE will notify the student within 15 business days after the deadline via email that the appeal will not be considered. Students will not be able to submit the missing documentation or be considered for re-appeal if they have an incomplete appeal application.*

2

LETTER OF REQUEST (MUST BE WRITTEN/TYPED AND SIGNED BY STUDENT)

1. The student must state the reason for appealing and describe the extenuating circumstance(s) as defined in these guidelines that prevented them from renewing the scholarship. A student should specify the term and academic year for which they are appealing.
2. The student must provide an explanation as to why they did not attend any and all terms during the academic year in question, including Maymester and summer school (Sessions I & II). A student must receive permission from a medical provider (see below under "supporting documentation") in order to take a reduced course load for the academic year in question. The reduced course load would need to be approved and the documentation of the reduced course load on file at the home institution's Disability/Accessibility Office and the financial aid office prior to the start of each term.

Financial situations will not be taken into consideration for not attending Maymester and summer school. Students who do not attend Maymester and summer school must provide an explanation as to why they did not attend.
4. The hours and grades earned during summer school will be considered in the appeals deliberation and can affect the outcome of the appeal.

The student must also explain each term of poor academic performance.

If the student is appealing due to a death of an immediate or a non-immediate family member, the student must provide documentation of the death (i.e.: obituary, funeral program, death certificate) as well as explain in detail (1) the extent of the relationship; (2) how this situation affected their inability to meet academic requirements to renew the scholarship; and (3) how the situation meets the definition of a traumatic /extraordinary event. The student must also provide a letter from a professional counselor detailing how the traumatic or extraordinary event affected the student's academic performance during the academic year in question.
7. If the student is appealing due to a chronic or long-term health condition, the student must be registered with the Institutional/Campus Disability/Accessibility Office prior to the start of each academic term, and the student should address this in their letter.

SUPPORTING DOCUMENTATION

Students are ultimately responsible for providing sufficient supporting documentation with their appeal which satisfies the burden of proof of an extenuating circumstance. 2. Any other documentation, which will substantiate the appeal.

4

ALL OFFICIAL ACADEMIC TRANSCRIPTS

The student must request an official transcript(s) from current and any/all previous post-secondary institutions attended, enrolled, and/or earned credit hours from, including dual enrollment coursework. If an institution is using courses for GPA/credit hours, then a transcript from the institution in which the credit hours were earned needs to be provided to the Commission. **Please note that grades and credits earned through dual enrollment must be presented on the official transcript from the institution through which they were earned** (high school transcripts will not be accepted). *Even though some institutions will place credits on their transcript if they are earned at a different institution, they may not list the grades earned, which could impact an appeal. For this reason, all official transcripts from every institution attended, even those institutions attended through dual credit programs, are required.*

Academic transcript(s) must be in an officially sealed envelope from the institutions and may be mailed with the appeals application or be mailed directly from the institution to the Commission on Higher Education, Attn: Scholarship Appeals, 1122 Lady Street, Suite 400, Columbia, SC 29201 or be included with the Application for Appeal. **Please note that unofficial transcripts will not be considered.** It is the student's responsibility to ensure that all transcripts are sent by the institution and received by the Commission no later than 5:00pm on the established deadlines. **EVEN IF YOU HAVE PREVIOUSLY APPEALED, NEW/UPDATED OFFICIAL TRANSCRIPTS MUST BE SUBMITTED IN ORDER FOR AN APPEAL TO BE HEARD.**

Should you wish to submit an electronic official transcript, it is the student's responsibility to verify with the institution that the electronic submission will be considered "official" and therefore may be used for a complete appeal submission. The Commission cannot guarantee that any electronic transcript will be considered official and acceptable for processing. **Any electronic submissions direct from the student/parent OR electronic submission that demonstrates "unofficial" will NOT be accepted.** To ensure the validity of the transcript, you should have any electronic transcripts come to CHE directly from the institution or transcript company. All electronic transcripts should be emailed to appeals@che.sc.gov.

It may be in your best interest to request an official hard copy be sent to the Commission.

SUBMISSION OF APPEAL MATERIALS

The completed application (on pg. 10) and all other documentation must be received by the Commission on Higher Education by the established deadline of the academic year that scholarship aid is requested. Incomplete applications will not be considered.

It is the student's responsibility to ensure that all documents are submitted to the Commission by the deadline including a detailed student letter, completed application signed by the student, all necessary transcripts and supporting documentation. It is not the responsibility of CHE staff to ensure that the student's file is complete or that the information in the file is correct. Commission staff is NOT obligated to contact the student, parent/guardian or the institution to ensure the student's files are complete for review.

A student may submit any of the requested appeal documentation electronically, provided all necessary signatures are included. Please send all documentation in ONE email in PDF format and email to appeals@che.sc.gov. **If sending documentation electronically, the student should select delivery and read receipts. CHE staff will not notify the student that documentation as been received.**

NOTIFICATION PROCESS FOR APPEALS DECISIONS

Once the decision regarding an appeal has been determined, the Commission on Higher Education will notify the student via e-mail, and, if approved, the institution will also be notified. Students who attend Maymester, Summer I or II should be aware that a decision on their appeal will be held until the student has completed all Summer work and has submitted updated official transcripts to reflect the summer grades/credit hours to the Commission by the established deadline. Students with "I" or Incomplete grades on the transcript at the appeals deadline will not have their appeal heard. All "I" grades must be resolved at the institutional level prior to submitting an appeal.

Upon delivery of a **denial decision e-mail**, the student will have **5 calendar days** from the delivery of the e-mail to submit in writing a request to have the Appeals Committee reconsider their appeal (this request can be made via email, postal mail, or hand delivered to the Commission). All written requests must be in the office within the 5-calendar day period. **PLEASE NOTE THAT NO ADDITIONAL INFORMATION/DOCUMENTATION WILL BE ACCEPTED WITH A RECONSIDERATION REQUEST.**

For re-appeals, the Appeals Committee will review only the information submitted with the student's original appeal. No additional information will be accepted after a decision has been rendered regarding the student's completed initial appeal. Re-appeal decisions should be rendered by January 1, 2024 or April 5, 2024 depending on when the original appeal was received. The Appeals Committee's decision is final.

Students should understand that their appeal may not be granted. Therefore, they must take the necessary actions to secure funds to pay their tuition and fees during the time the appeal is being reviewed. If the appeal is granted, the scholarship funds may be awarded retroactively. In addition, CHE does not guarantee that a decision will be rendered prior to any institutional deadlines for tuition and fee payment. In these cases, it is up to the student to ensure that any financial obligation to the institution is fulfilled. If the appeal is granted, the scholarship funds may be awarded retroactively.

APPROVAL OF APPEALS

If an appeal is granted to a student who does not have the required cumulative 3.0 grade point average or the required number of credit hours, they may receive scholarship funding only for the academic year for which the appeal was granted. After the completion of that academic year, the student is expected to comply with all eligibility requirements as stipulated in the grant e-mail, in order to receive scholarship funding for each subsequent academic year.
